-	Mr. Wisner:	
	a. Reported that Phil Graham of the Washington Post was back in town if the Director of Colonel White desired to get in touch with him.	
25X1	b. Reported that done some good writing on Latin America, is now going to the Middle East. Recommended that someone from the Agency see him and possibly he be given a briefing by	25X1
	c. Reported he understood the Clark Report on military intelligence was full of critical comments of CIA and suggested that the Director might want to see this. The Director said he would discuss this at the White House level.	
•	Mr. Amory:	
25X1	a. Reported that he had asked State to withdraw their request for a crash estimate on It was agreed that the Board of National Estimates would look over the October Estimate and that the IAC would also take a look at the BNE comments.	
25X1 25X1	b. Said that, after his recent trip, reported as doing an excellent job in	25X1
25X1	Mr.	
25X1	Said the as well as others, was creating a terrific backlog, far beyond our expectations. Stated that more slots are needed in the shop doing the work. General Cabell stated that we have no choice but to meet these requirements. The Director stated that the Bureau of the Budget should be advised.	25X1
